## Abstract submission deadline extension to December 31, 2025

- The NAMS Microfossils V conference is planned for April 8-11, 2026, at the UT Austin J.J. Pickle Research Campus
- The deadline for abstract submission has been extended to **December 31, 2025**, at 12 a.m. (midnight) Central Standard Time
- Abstracts should be submitted to [nams.sepm@gmail.com](mailto:nams.sepm@gmail.com) with the subject line “M5 abstract submission”
- More information about the conference schedule and abstract submission requirements is provided on the NAMS website: <https://namssepm.wixsite.com/nams/events>
- A wide range of topics in micropaleontology broadly defined (including nannofossils, palynology, foraminifera, radiolarians, diatoms, conodonts, etc.) is welcome
- The number of abstracts received by the original submission deadline was insufficient to hold a conference, more presentations are needed
- Please advertise this deadline extension through personal contacts, social media, etc.
